Dear Mr. Director:

For research on the aftermath of the Bay of Pigs, I would like to apply - under the Freedom of Information Act - for material summarizing the nature, and evaluation, of Operation MONGOOSE.

I would like to apply immediately for the Inspector General's report. And I would like to receive a cost estimate for searches of the relevant material that would provide a general summary account of the activities that were a part of MONGOOSE and the amount of money authorized and spent.

Yours sincerely,
